### Piper H2O Backflow Testing

(530) 863-8352

<https://www.piperh2o.com>

This list is provided for your convenience only; the District does not make recommendations. As the homeowner, you may hire the contractor of your choice, but be sure you check for the appropriate licensing and qualifications. The backflow tester needs to have an American Water Works Association - Backflow Prevention Assembly Tester Certification.
